NOTICE

NOTICE is hereby given that the 42nd Annual General Meeting of the Members of Mahaveer Finance India Limited will be held at South India Hire Purchase Association Premises, Desabandu Plaza, 1st Floor, 47 Whites Road, Chennai-600014 on Saturday, 22nd July, 2023 at 12.30 P.M to transact the following business:

ORDINARY BUSINESS

1. To receive and adopt the audited financial accounts of the Company for the financial year ended 31st March, 2023 and Reports of the Directors and Auditors thereon.
2. To appoint a Director in place of Shri. Praveen Dugar (DIN: 00190780) who retires by rotation and being eligible offers himself for re- appointment.

SPECIAL BUSINESS

3. To approve borrowing powers of the company and in this regard, to pass the following Resolution with (or) without modification(s) as a **Special Resolution**:

“**RESOLVED THAT** in supersession of the Special Resolution passed at the Annual General Meeting held on 25th July, 2022 and pursuant to provision of Section 180(1)(c) and any other applicable provision of the Companies Act, 2013 and rules made thereunder (including any statutory modification(s) or re-enactment thereof for the time being in force), the consent of the members of the Company be and is hereby accorded to the Board of Directors of the Company or its Committee as may be authorised by the Board of Director to borrow monies in excess of the aggregate of the paid-up capital, free reserves and securities premium of the Company, provided that the total amount borrowed and outstanding at any point of time, apart from temporary loans obtained or to be obtained from the Company’s banker, financial institutions, other corporate bodies and other in the ordinary course of business, shall not be in excess of Rs. 2000 crore (Rupees Two Thousand Crore) only over and above the aggregate of paid up capital, free reserves and securities premium of the Company.

RESOLVED FURTHER THAT the Board or such Committee be and are hereby authorized to do all acts, deeds, matters and things as it/they may consider necessary, expedient, usual or proper to give full effect to the aforesaid Resolution.”

4. To approve creation of charge on the assets of the Company and in this regard, to pass the following Resolution with (or) without modification(s) as a **Special Resolution**:

“**RESOLVED THAT** in supersession of the Special Resolution passed at the Annual General Meeting held on 25th July, 2022 and pursuant to provision of Section 180 (1) (a) and any other applicable provision of the Companies Act, 2013 and rules made thereunder (including any statutory modification(s) or re-enactment thereof for the time being in force), the consent of the members of the Company be and is hereby accorded to the Board of Directors of the Company or its Committee as may be authorised by the Board of Director to create such charges, mortgages, hypothecations, direct assignment, transfer, securitisation in addition to the existing charges, mortgages, hypothecations, direct assignment, transfer, securitisation if any created by the Company, on such movable or immovable properties, both present and future, and in such manner as the Board may deem fit, in favour of Banks, Financial Institutions, Insurance Companies, other lending / investing agencies or bodies/trustees for holders of debentures/bonds which may be issued to or subscribed to by all or any of the Banks, Financial Institutions, insurance companies, other lending /investing agencies or any other person(s)/bodies corporate by way of private placement or otherwise(hereinafter collectively referred to as "Lenders"), provided that the total amount of loans together with interest thereon, additional interest, compound interest, liquidated damages, commitment charges, premium on pre-payment or on redemption, costs, charges, expenses and all other monies payable by the Company in respect of the said loans, for which

such charges, mortgages, hypothecations, direct assignments, transfers, securitisations are created shall not, at any time, exceed the limit of Rs. 2000 Crore (Rupees Two Thousand Crore) only or the aggregate of the paid up share capital and free reserves of the Company whichever is higher.

RESOLVED FURTHER THAT the Board or such Committee be and is hereby authorised to do all such acts, matters, deeds and things, to execute all such documents, instruments and writings as may be required and to delegate all or any of its powers herein conferred to a Committee constituted by the Board and / or any member of such Committee.”

5. To approve issue of debt instruments on a private placement basis and in this regard, to pass the following Resolution with (or) without modification(s) as a Special Resolution:

“RESOLVED THAT in supersession of the Special Resolution passed at the Annual General Meeting held on 25th July, 2022 and pursuant to the provisions of Section 42, 71 and other applicable provisions, if any, of the Companies Act, 2013, read with the Companies (Prospectus and Allotment of Securities) Rules, 2014 and Companies (Share Capital and Debentures) Rules, 2014 and subject to such other Regulations/Guidelines, approval of the members of the Company be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as “the Board” which term shall be deemed to include any committee thereof which the Board may have constituted or hereinafter constitute to exercise its powers, including the powers conferred by this Resolution) for making offer(s) or invitation(s) to subscribe to Secured/Unsecured, Redeemable, Partly/Optionally or fully Convertible/ Non-Convertible Debentures including but not limited to Subordinated Debentures, bonds, commercial papers and / or other debt securities, on a private placement basis, in one or more tranches, during the period from 42nd Annual General Meeting to 43rd Annual General Meeting (AGM) for a sum as decided by the Board or its committee from time to time, not exceeding the overall borrowing limit approved under Section 180(1)(c) by the members of the Company.

RESOLVED FURTHER THAT the Board be and is hereby authorized and empowered to arrange or settle the terms and conditions on which all such moneys are to be borrowed from time to time, as to interest rate, tenor, repayment, security, or otherwise and listing, as it may deem expedient and to do all such acts, deeds, matters and things in connection therewith and incidental thereto as the Board in its absolute discretion deems fit, without being required to seek any further consent or approval of the members or otherwise to the end and intent that they shall be deemed to have given their approval thereto expressly by the authority of this Resolution.”

6. To consider and if thought fit, to pass with (or) without modification(s), the following resolution as a **Special Resolution** :

“RESOLVED THAT subject to the provisions of Section 196, 197, 203 read with Schedule V and other applicable provisions if any, of the Companies Act 2013, the Company hereby accords its approval and consent for the re-appointment and re-designation of **Shri. N. Mahaveerchand Dugar, Managing Director as Executive-Vice Chairman** of the Company, liable to retire by rotation, for a term of three years commencing from 1st July 2023 to 30th June 2026 and for the payment of remuneration to him for his services as Executive-Vice Chairman, as set out hereunder:

Salary : Rs. 6,00,000/- per month in the scale of Rs. 6,00,000/- to Rs. 10,00,000/-. Annual increase will be effective from 1st April every year and the quantum will be decided by the Nomination and Remuneration Committee/Board of Directors.

Commission : The Board of Directors will decide the commission subject to a ceiling of 1% of the net profits of the Company.

Perquisites : As detailed in Annexure to the Explanatory Statement.

RESOLVED FURTHER THAT the Board of Directors have liberty to revise his remuneration during the tenure of office from time to time as they deem fit within the limits of Section 197 and Schedule V of the Companies Act, 2013.”

Minimum Remuneration:

“Where in any financial year, during the currency of tenure of the Executive-Vice Chairman, the Company has no profits or its profits are inadequate, the salary and perquisites as mentioned above will be paid as the minimum remuneration subject to the limits specified in Part II of Schedule V to the Companies Act, 2013 or such other limits as may be prescribed by the Government from time to time as minimum remuneration.”

7. To consider and if thought fit, to pass with or without modification(s), the following resolution as a **Special Resolution** :

7. All other documents which are referred in the accompanying notice and explanatory statement are open for inspection at the registered office of the Company during office hours on working days up to the date of Annual General Meeting.
8. **Dematerialisation facility to be availed at the earliest by the Shareholders who are holding shares in the Physical form. As per MCA notification dated 10th September, 2018 every holder of securities of an unlisted public company, who intends to transfer such securities after 2nd October, 2018 shall get such securities dematerialised before the transfer. You are therefore, requested to convert your shares into Demat mode.**
9. **E-mail id to be provided by the shareholders to facilitate easy and faster dispatch of Notices of the general meetings and other communications by electronic mode from time to time under Rule 18(3) of the Companies (Management and Administration) Rules, 2014.**

Explanatory statement under sec 102 (1) of the Companies Act, 2013

Item No. 3: To approve borrowing powers of the Company

The Company has been continuously expanding its Hypothecation Loans, Hire Purchase and Leasing business. The Company at its Annual General Meeting held on 25th July 2022 had granted approval to the Board of Directors of the Company to borrow up to Rs.1200 Crores over and above the paid up capital and free reserves of the Company. With the increasing volume of business under Hypothecation Loans, Hire Purchase, Leasing etc., the Company has to borrow further amounts from banks, financial institutions, other corporate bodies and others and as such the existing limit of Rs. 1200 Crores over and above the paid up capital and free reserves of the Company is required to be revised and increased to Rs. 2000 Crores. Hence, the Board recommends passing the Resolution as a Special Resolution.

None of the Directors and Key Managerial Personnel of the Company, or their relatives, are concerned or interested (financially or otherwise) in this Resolution.

Item No. 4: To approve creation of charge on the assets of the Company

Under the provision of Section 180(1)(a) of the Companies Act 2013 the powers of the Board viz.to create charge/mortgage/hypothecation/direct assignment/transfer/securitisation on the Company's assets, both present and future, in favour of the lenders/ investors/trustees for the holders of debentures/bonds, to secure the repayment of monies borrowed by the Company (including temporary loans obtained from the Company's Bankers in the Ordinary course of business), can be exercised by the Board only with the consent of the shareholders obtained by Special Resolution.

For the coming financial years, the Company will continuously review its borrowing position and will enter into direct assignment/hypothecation/ securitisation or any such transaction which may result into sell, lease or disposal of substantial portion of the undertaking as defined in Section 180(1)(a). Hence, with increase in volume of business, the Board recommends enhancing the limit of Rs. 1200 Crore as approved by Special Resolution in Annual General Meeting held on 25th July 2022 to Rs. 2000 Crore by passing the Resolution as a Special Resolution.

None of the Directors and Key Managerial Personnel of the Company, or their relatives, are concerned or interested (financially or otherwise) in this Resolution.

Item No. 5: To approve issue of debt instruments on a private placement basis

As per Section 42 of the Companies Act, 2013 read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, a Company offering or making an invitation to subscribe to Debentures on a private placement basis, is required to obtain the prior approval of the Members by way of a Special Resolution. In the case of Non-Convertible Debentures however, such an approval can be obtained once in a year for all the offers and invitations for such NCD's if the amount of such offer or invitation exceeds the limit specified under clause (c) of Section 180(1). The Company seeks approval to issue debt instruments within the borrowing limit as the company will be in need of additional funds to augment its working capital requirements, since there is enough potential available for growth of business. The Company, during the year, is planning to raise funds by the issue of Debt Instruments on such terms and conditions as may be mutually agreed upon.

The Board recommends passing the Resolution as a Special Resolution.

None of the Directors and Key Managerial Personnel of the Company, or their relatives, are concerned or interested (financially or otherwise) in this Resolution.

Item No. :6 to 8: Re-appointment & Re-designation of Managing Director and Re-appointment & Elevation of Whole-time Directors

Section 196(3) of the Companies Act, 2013, inter alia, provides that no Company shall continue the employment of a person who has attained the age of 70 years, as Managing Director, Whole time Director or Manager unless it is approved by the members by passing a special resolution. Part 1 of Schedule V to the Act contains a similar provision. Shri. N. Mahaveerchand Dugar was appointed as Managing Director of the Company for a period of 3 years from 1st October 2020.

The approval of the Members of the Company for the appointment of Shri. Mahaveerchand Dugar as the Executive-Vice Chairman (Whole-time Director) after he attained the age of 70 years requires to be obtained by way of a Special Resolution.

Keeping in view that Sri. N. Mahaveerchand Dugar has rich and varied experience in the industry and has been involved in the operations of the Company since inception and has contributed in a substantial way in the growth of the company to its present level, it would greatly benefit the Company to re-appoint and re-designate Shri. N. Mahaveerchand Dugar as Executive-Vice Chairman (Whole-time Director).

Shri. M. Deepak Dugar was appointed as the Joint Managing Director of the Company for a period of 3 years from 1st July 2020. Considering his contribution to the growth of the Company during his tenure as a Joint Managing Director, the Board considers that re-appointment and elevation of Shri. Deepak Dugar's role as Managing Director would be of immense benefit to the Company.

Shri. M. Praveen Dugar was appointed as the Executive Director of the Company for a period of 3 years from 1st July 2020. Considering his contribution to the growth of the Company during his tenure as an Executive Director, the Board considers that re-appointment and elevation of Shri. Praveen Dugar's role as Deputy Managing Director would be of great benefit to the Company.

After considering the remuneration levels prevailing in the industry, the Board of Directors, proposes to fix the remuneration to Shri. N. Mahaveerchand Dugar, Shri. M. Deepak Dugar and Shri. M. Praveen Dugar as mentioned in the Resolution. The perquisites payable to Shri. N.Mahaveerchand Dugar, Shri. M.Deepak Dugar and Shri. M.Praveen Dugar are detailed in the annexure I to this statement. The Salary proposed to the three Managerial persons is in conformity with Schedule V of the Companies Act.

This explanatory statement together with the accompanying notice(s) is and should be treated as an abstract of the terms of appointment/remuneration to Shri. N. Mahaveerchand Dugar, Shri. M. Deepak Dugar and Shri. M. Praveen Dugar.

The main terms and conditions for the re-appointment of Managing Director and whole-time Directors are as follows:

- b. number of complaints disposed of during the financial year : NIL
- c. number of complaints pending as on end of the financial year: NIL

29. RISK MANAGEMENT POLICY

Your company has adopted a Risk Management policy as recommended by the Asset-liability and Risk Management Committee of the Company which identifies the various types of risk for the Company and ways to mitigate the risks.

Moreover, your Company being in the business of financing commercial vehicles, cars etc. it is expected that there would be abundant opportunities for the growth of NBFC sector in financing of commercial vehicles and cars. Competition from private and public sector banks in the retail financing and competitive interest rates are challenges to the industry.

With strong and dynamic management, experienced and skilled staff, retention of trustworthy customers, improvement of assessment procedures and quality of appraisal, the Company is confident of converting challenges into opportunities.

Any operational risk, market risk and interest risk can have adverse impact on the operations of the Company. Through continuous emphasis on cost control and cost reduction measures and taking corrective action wherever necessary, the Company will minimize risk.

Since money is the raw material for the finance company, the inflow of funds steadily throughout the year is a prerequisite. The Company constantly endeavors to access the required funds.

30. ESTABLISHMENT OF VIGIL MECHANISM AND WHISTLE BLOWER POLICY

The Company has a Board approved policy on Vigil mechanism and Whistle Blower where Audit Committee of the Company is given the authority to investigate in case of any complaint received by the Management or by the Chairman of the Audit Committee. The policy is available in company website: <https://mahaveerfinance.com/corp.php>. During the year, no whistle blower event was reported and no personnel have been denied access to the Audit Committee.

32. CORPORATE SOCIAL RESPONSIBILITY POLICY

The CSR policy of the Company articulates the areas and activities under which CSR expenditure shall be made. The CSR policy is available on the website of the Company: <https://www.mahaveerfinance.com/corp.php>. Details as per the CSR rules is given in Annexure IV of the Board report.

32. SIGNIFICANT AND MATERIAL ORDERS

There are no significant and material orders passed by the regulators or courts or tribunals, which would impact the going concern status of your Company and its future operations.

33. DIRECTORS RESPONSIBILITY STATEMENT:

Pursuant to Section 134 (3) (c) of the Companies Act, 2013 the Directors state that:-

- a) in the preparation of the Annual Accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit of the company for that period;
- c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) the directors had prepared the annual accounts on a going concern basis;
- e) Adequate internal financial controls have been put in place and they are operating effectively; and
- f) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

34. SECRETARIAL STANDARDS:

The Company is in compliance with all the applicable Secretarial standards.

35. NOMINATION & REMUNERATION POLICY:

The Company's Nomination and Remuneration policy on director's appointment and remuneration including criteria for determining qualifications, positive attributes, independence of a director and other matters provided under Section 178(3) is available on the website of the Company: <https://mahaveerfinance.com/corp.php>. There has been no change in the policy.

36. DETAILS OF APPLICATION / ANY PROCEEDING PENDING UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st March 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Board of Directors,
M/s. Mahaveer Finance India Limited,
Chennai

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mahaveer Finance India Limited** (hereinafter called "**the Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the Audit Period covering the Financial year ended March 31, 2023 ("Audit Period") complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial year ended March 31, 2023 according to the provisions of:

- a) The Companies Act, 2013 (the 'Act') & the Rules made thereunder, as amended from time to time;
- b) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- c) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder as amended from time to time;
- d) Foreign Exchange Management Act, 1999 and the Rules, Regulations, notifications and circulars made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; - Complied to the extent of Foreign Direct Investment applicable to the Company.
- e) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - i) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; - Not applicable during the audit period.
 - (ii) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 as amended from time to time;
 - (iii) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;- Not applicable during the audit period
 - (iv) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time;
 - (v) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act, 2013 and dealing with client;- To the extent applicable to the Company
 - (vi) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;- Not applicable during the audit period

- (vii) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (viii) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018-Not applicable during the audit period
- (ix) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021-Not applicable during the audit period

We have also examined compliance with the applicable Secretarial Standards issued by the Institute of Company Secretaries of India ('ICSI') as mandated by the Companies Act, 2013.

During the period under review, we observed that the Company has complied with the applicable statutory provisions as stated above, Rules, Regulations, Guidelines made thereunder.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent to them at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. As per Minutes, decisions at Board Meeting were taken and there was no instance of dissent by any director during the period under review.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. We have not carried out audit to make sure the correctness and appropriateness of financial records and books of accounts of the company.

We further report that during the audit period there were no specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines and standards, except as below:

1. The Company has repurchased 150 Secured Rated Redeemable Listed Nonconvertible Debentures dated March 23rd, 2023 bearing ISIN: INE911L07022 and ISIN: INE911L07055;
2. The Company has repurchased 50 Secured Rated Redeemable Listed Nonconvertible Debentures dated March 30th, 2023 bearing ISIN: INE911L07014
3. The Company has allotted 150 unsecured Non- Convertible Debenture on private placement basis to IFMR long term credit fund dated January 31st, 2023
4. The Company has obtained members approval by way of Special Resolution under Section 180(1)(a) (c) of the Companies Act, 2013 up to the limit of Rs. 1200 Crore

ANNUAL REPORT ON CSR ACTIVITIES

[Pursuant to Clause (o) of sub section (3) of Section 134 of the Act and Rule 8 of the Companies (Corporate Social Responsibility) Rules 2014]

1. Brief outline on CSR Policy of the Company:

The CSR policy of the Company outlines the various areas/activities in which the CSR expenditure is to be made with the following eight thrust areas:

- Education / Literacy enhancement
- Environment protection / Horticulture
- Infrastructure development
- Drinking water / sanitation
- Health care / Medical facility
- Community development / social empowerment
- Contribution to Social welfare funds set up by Central / State Government
- Relief for victims of natural calamities

CSR Programmes will be implemented by the company either on its own or through any specialized agencies/ implementing agencies like NGOs, Trusts, Missions, Elected local Bodies like Panchayats, Self Help Groups, Mahila Mandals, community based organisations etc which are eligible to undertake any CSR activity as per the Companies Act, 2013 and rules made thereunder.

The poor and needy section of the society living in different parts of India would normally be covered. The Company shall give preference to the local area and areas around it where it operates, for spending the amount earmarked for CSR activities. For this purpose, the company will normally spend the CSR amount within 100 KMs radius of its Head office or Branch offices.

CSR policy is available in company website: <https://www.mahaveerfinance.com/corp.php>

2. Composition of CSR Committee:

As per the Section 135(9) of the Companies Act, 2013, the Corporate Social Responsibility Committee has been dissolved w.e.f 29th June 2021 and the powers of the said Committee vests with the Board of Directors.

3. Provide the web-link where Composition of CSR committee, CSR Policy and CSR projects approved by the board are disclosed on the website of the company:

The Corporate Social Responsibility Committee has been dissolved with effect from 29th June 2021, hence, the information about the Committee is not available in the website. The web-link for CSR policy and CSR expenditures made by the Company in F.Y. 2022-23 is disclosed in <https://www.mahaveerfinance.com/corp.php>.

**INDEPENDENT AUDITOR’S REPORT
TO THE MEMBERS OF MAHAVEER FINANCE INDIA LIMITED**

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of MAHAVEER FINANCE INDIA LIMITED (“the Company”), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss and including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013 (“The Act” or “Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the “Code of Ethics” issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor’s Report Thereon

3. The Company’s Board of Directors is responsible for the other information. The other information comprises of the Board’s Report including its Annexures, and other report placed by the management before the members, but does not include the financial statements and our auditor’s report thereon. The Board’s Report is expected to be made available to us after the date of this auditor’s report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

4. The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities;

selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

5. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
6. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

7. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

8. As required by the Companies (Auditor's Report) Order, 2020, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (hereinafter referred to as the "Order"), we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
9. As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in Annexure B to this report.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note No. 33 to the financial statements
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv) a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, if any, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, if any, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures, we have considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- (v) The Company has not declared or paid any dividend during the year, hence requirement for compliance with Section 123 of the Act is not applicable.
- (vi) MCA Vide its notification dated 31.03.2022 has extended the requirement of implementation of audit trail software to financial year commencing on or after 1st April 2023, accordingly reporting under Rule 11 (g) of Companies (Audit and Auditors) Amendment Rule 2021 is not applicable.

“ANNEXURE A” TO THE INDEPENDENT AUDITORS’ REPORT

**(Referred to in paragraph 8 of the Independent Auditors’ Report of even date to the members of Mahaveer Finance India Ltd.
on the financial Statements as of and for the year ended March 31, 2023)**

We report that:

- i. In respect of its Property, Plant & Equipment and Intangible Assets:
 - a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of its property, plant and equipment.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - b) The Property, Plant and Equipment are physically verified by the management according to a phased programme designed to cover all the items over a period of 2 years which, in our opinion, is reasonable having regard to the size of the company and nature of its assets. Pursuant to the said programme a portion of the property, plant and equipment has been verified by the management during the year and no material discrepancies have been noticed on such verification.
 - c) According to the information and explanations given to us, there are no immovable properties in the name of the company, and hence clause 3(i)(c) of the Order are not applicable to the company.
 - d) The Company has not revalued its property, plant and equipment (including right of use assets) and intangible assets during the year. Therefore, the provisions of clause 3(i)(d) of the Order are not applicable to the Company.
 - e) According to information and explanations given by the management, no proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder. Therefore, provisions of clause 3(i)(e) of the Order are not applicable to the Company
- ii. The Company is a Non-Banking Finance Company (NBFC) engaged in the business of giving loans and does not maintain any inventory. Hence the provision of clause 3(ii)(a) and (ii)(b) of the Order are not applicable.
- iii. According to the information and explanations provided to us, the Company has not granted any loans, secured or unsecured to Companies, firms, Limited Liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provision of clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the said Order are not applicable to the Company.
- iv. According to the information and explanations provided to us, the company has not granted any loans or made any investment, or provided any guarantees or security to the parties covered under section 185 and 186. Therefore, the provision of clause 3(iv) of the said Order are not applicable to the company.
- v. According to the information and explanations given to us, the Company has not accepted any deposits from the public or amount which are deemed to be deposits and hence the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under are not applicable to the Company. Therefore, the Clause 3(v) of the order are not applicable.
- vi. The Central Government has not mandated the maintenance of cost records u/s 148 (1) of the Act in respect of the Company’s products. Therefore, the provision of clause 3(vi) of the said Order are not applicable to the Company.
- vii. According to the information and explanations given to us and the records of the Company examined by us:
 - a) The Company is generally regular in depositing undisputed statutory dues, including Goods and Services Tax, provident fund, employees’ state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues, as applicable. There was no undisputed outstanding statutory dues as at 31st March 2023, for a period of more than six months from the date they became payable
 - b) According to the records and information and explanations provided to us, there are no dues of Goods and Services Tax, provident fund, employees’ state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues which have not been deposited with the appropriate authorities on account of any dispute.
- viii. According to the information and explanation given to us, and as represented by the management, there were no transactions not recorded in the books of account, which have been surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year. Therefore, provisions of clause 3(viii) of the Order are not applicable to the Company.
- ix. In respect of Loans availed by the Company:
 - a) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not defaulted in repayment of loans or borrowings or in payment of interest thereon to any lender.
 - b) On the basis of the information and explanation provided to us, the Company has not been declared a wilful defaulter by any bank or financial institution or other lender.
 - c) On the basis of the information and explanation provided to us, the Company has utilized the funds availed from loans for the purpose it was obtained.
 - d) On the basis of the information and explanation provided to us, the funds obtained by the company on short-term basis has not been utilized for long term purposes.
 - e) The company does not have a subsidiary, associate or joint ventures and therefore, clause 3(ix)(e) and 3(ix)(f) of the Order are not applicable.

- x. In respect of Capital raised by the Company:
- a) According to the information and explanations given to us and based on our examination of the records of the Company, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Thus, the provisions of clause 3(x)(a) of the order are not applicable to the Company.
 - b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, the provisions of the clause 3(x)(b) of the Order are not applicable to the company.
- xi. In respect of instance of any fraud by or against the Company:
- a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or on the Company noticed or reported during the year nor have we been informed of any such case by the management.
 - b) We have not come across any instance of fraud, therefore report under sub-section 12 of section 143 of the Companies Act, 2013 is not required to be filed by us in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - c) As reported to us by the management, there are no whistle-blower complaints received by the Company during the year.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, the provision of clause 3(xii) of the Order are not applicable to the company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has entered into transactions with related parties in compliance with the provisions of sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Note 37 of the financial statements as required under the Indian Accounting Standards (Ind AS) 24, Related Party Disclosures specified under section 133 of the Act, read with Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended).
- xiv. In respect of its Internal Audit system:
- a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business;
 - b) We have considered internal audit reports of the Company issued till date for the period under audit.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of the clause 3(xv) of the Order are not applicable to the company.
- xvi. In respect of its compliance with RBI Regulations:
- a) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act 1934 and has obtained the registration.
 - b) The Company has a valid Certificate of Registration for conducting the functions of Non-Banking Financial activities.
 - c) In our opinion, the Company or any other Company in its group is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Therefore, the provisions of clause 3(xvi)(c) and (xvi)(d) of the Order are not applicable to the Company;
- xvii. The Company has not incurred cash losses in the financial year and in the immediately preceding financial year. Therefore, the provisions of clause 3(xvii) of the Order are not applicable to the Company.
- xviii. There has been no resignation of statutory auditors during the year. Therefore, the provisions of clause 3(xviii) of the Order are not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to the information and explanations given to us and based on our review, there is no unspent amount under sub-section (5) of section 135 of the Companies Act, 2013. Accordingly, clause 3(xx)(a) and clause 3(xx)(b) of the Order are not applicable.
- xxi. The Company does not have subsidiary, associate or joint venture. Therefore, the provisions of clause 3(xxi) of the Order are not applicable to the Company.

“ANNEXURE B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 9(f) of the Independent Auditor’s Report of even date to the members of Mahaveer Finance India Limited on the financial Statements as of and for the year ended March 31, 2023)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls over financial reporting of **Mahaveer Finance India Limited** (“the Company”) as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR’S RESPONSIBILITY

3. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

6. A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that:

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes: Nature and purpose of reserve

- (i) **Statutory reserve (Reserve u/s. 45-IA of the Reserve Bank of India Act, 1934 (the "RBI Act, 1934"))**
Statutory reserve represents the reserve created as per Section 45IC of the RBI Act, 1934, pursuant to which a Non-Banking Financial Company shall create a reserve fund and transfer therein a sum not less than twenty per cent of its net profit annually as disclosed in the Statement of Profit and Loss, before any dividend is declared.
- (ii) **General reserve**
Represents accumulated profits set apart by way of transfer from current year Profits or/and Retained Earnings. General reserve is free reserve available for distribution as recommended by Board in accordance with requirements of the Companies Act, 2013.
- (iii) **Security Premium**
Securities premium is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes in accordance with the provisions of the Companies Act, 2013.
- (iv) **Retained Earnings**
Retained Earnings represents the accumulated available profit of the Company including the amounts carried forward from earlier years. These reserve are free reserves which can be utilised for any purpose as may be required.
- (v) **Compulsory Convertible Debentures**
Terms of Issue : During 2020-2021, the Company has issued 2000 Nos. Unsecured Compulsorily Convertible Debentures (CCD) of face value of Rs.1,00,000 each to the Investors. The CCDs shall be converted on or after 48 months from the date of investment at the price agreed upon as per the investment agreement. Until Conversion, the Company shall serve a quarterly coupon @ 17% p.a. to the Investors.

MAHAVEER FINANCE INDIA LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

1. Company Overview

Mahaveer Finance India Limited (the 'Company') is a unlisted Public Limited Company domiciled in India and incorporated on 05-01-1981 under the provisions of the Companies Act' 1956 ('the Act') . The Company is registered with the Reserve Bank of India (RBI) since Inception. The last renewed Certificate of registration was issued by RBI on November 12, 2015 to carry on the business of Non-Banking Financial Institution ('NBFC') without accepting public deposits.

As per the revised guidelines issued by Reserve Bank of India ('RBI'): RBI/2014-15/299 / DNBR (PD) CC.No.002/03.10.001/2014-15, dated November 10, 2014 ('the guidelines'), since the asset size of the Company as per last audited Balance Sheet was less than Rs. 500 crore, the Company was classified as NBFC-Non Deposit taking and Non-Systemically Important (NBFC-ND). However, as at 31st March 2023, the asset size of the Company has exceeded Rs. 500 Crore and accordingly the Company is taking necessary steps for applying to the Reserve Bank of India for obtaining status of NBFC-Non Deposit taking and Systemically Important (NBFC-ND-SI).

The financial statements of the Company for the year ended March 31, 2023 were authorized for issue by the Board of Directors at their meeting held on 26th May 2023..

2. Basis of Preparation

(i) Statement of compliance with Indian Accounting Standards (Ind AS)

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015, as amended, notified under Section 133 of the Companies Act, 2013, (the 'Act') and other relevant provisions of the Act, as amended from time to time and other accounting principles generally accepted in India along with other relevant provisions of the Act and the Master Direction – Non-Banking Financial Company– Not Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') issued by RBI.

The Company's financial statements are prepared in accordance with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended, other relevant provisions of the Act and other accounting principles generally accepted in India, to the extent applicable including the NBFC Master Directions.

The Company presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date and more than 12 months after the reporting date is presented in Note 43.

(ii) Basis of Measurement

"These financial statements have been prepared on a historical cost basis except for following assets and liabilities which have been measured at fair value

i) financial instruments - fair value through profit and loss (FVTPL);

ii) defined benefit liabilities/(assets): present value of defined benefit obligation less fair value of plan assets."

Fair value is the price that would be received to sell of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company take into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in the financial statements is determined on such a basis, except measurements that have some similarities to fair value but are not fair value, such as value in use in Impairment of Assets.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices /net asset value (unadjusted) in active markets for identical assets or liabilities that the company can access at the measurement date;
- Level 2 inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

(iii) Significant accounting Judgements and Estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income and expenses. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

Judgements

Information about the judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements have been given below:

- assessing the lease term (including anticipated renewals) and the applicable discount rate.
- Classification of financial assets: assessment of business model within which the assets are held and assessment of whether the contractual terms of the financial assets are solely payments of principal and interest on the principal amount outstanding.

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the financial statements for every period ended is included below:

- Measurement of defined benefit obligations: key actuarial assumptions;
- Recognition of deferred tax assets: availability of future taxable profit against which carry-forward tax losses can be used;
- Impairment test: key assumptions underlying recoverable amounts.
- Useful life and residual value of property, plant and equipment, other intangible assets and Right of Use assets;
- Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources
- Impairment of financial assets: key assumptions used in estimating recoverable cash flows
- Measurement of expected credit losses.
- Uncertainty relating to the global health pandemic.

(iv) Functional and presentation currency

Indian Rupee (₹) is the Company's functional currency and the currency of the primary economic environment in which the Company operates. Accordingly, the management has determined that financial statements are presented in Indian Rupees (₹). All amounts have been rounded-off to the nearest lakhs upto two decimal places, unless otherwise indicated..

3. Significant Accounting Policies

a Property, plant and equipment

Recognition and measurement

Property, plant and equipment ('PPE') are stated at acquisition or construction cost less accumulated depreciation and impairment loss. Cost comprises the purchase price and any attributable cost of bringing the asset to its location and working condition for its intended use, including relevant borrowing costs.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognised as an asset if, and only if, it is probable that the economic benefits associated with the item will flow to the Company in future periods and the cost of the item can be measured reliably.

Expenditure incurred after the PPE have been put into operations, such as repair and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred. Capital work in progress includes cost of assets at sites, construction expenditure and interest on the funds deployed less any impairment loss, if any.

The estimated useful lives and residual values of the PPE are reviewed at the end of each financial year. PPE, individually costing less than Rupees five thousand, are fully depreciated in the year of purchase. Gains or losses arising from the retirement or disposal of PPE are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

Subsequent Measurement

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Depreciation

Depreciation on property, plant and equipment is provided on written down value method using the rates arrived at based on the useful lives as specified in the Schedule II of the Companies Act, 2013. Depreciation on the Property Plant and Equipment added/disposed off/discarded during the year is provided from/upto the date when added/disposed off/discarded..

b Other Intangible Assets

Recognition and measurement

Intangible assets, representing softwares are initially recognised at cost and subsequently carried at cost less accumulated amortisation and accumulated impairment. The cost of assets comprises of purchase price and directly attributable cost of bringing the assets to working condition for its intended use.

Subsequent Measurement

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company.

Amortisation

The intangible assets are amortised using the written down value method over a period of three years [which is the management's estimate of its useful life] from the date when the asset is available for use or license period which ever is lower. Amortisation on the intangible asset disposed off during the year is provided on pro-rata basis with reference to the date of disposal. The useful lives of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate..

c Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

d Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

Interest and allied Income

Interest income on a financial asset at amortised cost is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate ('EIR'). The EIR is the rate that exactly discounts estimated future cash flows of the financial asset through the expected life of the financial asset or, where appropriate, a shorter period, to the net carrying amount of the financial instrument. The internal rate of return on financial asset after netting off the fees received and cost incurred approximates the effective interest rate of return for the financial asset. The future cash flows are estimated taking into account all the contractual terms of the instrument. EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for ECLs).

Prepayment charges etc. are recognised on a point-in-time basis, and are recorded when realised since the probability of collecting and reported under "Fees and commission income".

Overdue Interest Income is recognized on accrual basis to the extent considered recoverable.

Dividend Income

Dividend income is accounted for when the right to receive the income is established, which generally accrue when the shareholders approves the dividend.

Net Gain/ Loss on Fair Value Changes

Any differences between the fair values of the investment in debt oriented mutual funds classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealised gain/loss in the statement of profit and loss. In cases there is a net gain in aggregate, the same is recognised in "Net gains or fair value changes" under revenue from operations and if there is a net loss the same is disclosed "Expenses", in the statement of profit and loss.

Assignor's Yield on Direct Assignments

Gains arising out of direct assignment transactions comprise the difference between the interest on the loan portfolio and the applicable rate at which the direct assignment is entered into with the assignee, also known as the right of excess interest spread (EIS). The future EIS basis the scheduled cash flows on execution of the transaction, discounted at the applicable rate entered into with the assignee is recorded upfront in the statement of profit and loss. EIS evaluated and adjusted for ECL and expected prepayment.

Business Correspondent Operations

Income from business correspondent services is recognized as and when the services are rendered as per agreed terms and conditions of the contract.

e Financial Instruments

A Financial Instrument is any contract that gives rise to a financial asset of an entity and a financial liability or equity instrument of another entity.

(i) Initial recognition and measurement

All financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability which is not recognised at Fair Value Through Profit and Loss, is initially measured at fair value plus transaction costs that are directly attributable to its acquisition or issue.

(ii) Subsequent recognition

(A) Financial Assets

On initial recognition, a financial asset is classified and measured at

- Amortised Cost;
- Fair Value Through Other Comprehensive Income (FVOCI); or
- Fair Value Through Profit and Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not recognised at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in Other Comprehensive Income (OCI) (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified and measured at amortised cost or FVOCI as described above are measured at FVTPL. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI or at FVTPL, if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Assessment whether contractual cash flows are solely payments of principal and interest (SPPI)

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin. In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets..

Business model assessment

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument by instrument basis, but at a higher level of aggregated portfolios. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated financial assets going forward.

Financial assets: Subsequent measurement and gains and losses

Financial assets measured at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the Statement of Profit and Loss.
Financial assets measured at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in the Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.
Financial assets measured at Amortised Cost	These assets are subsequently measured at amortised cost using the effective interest rate method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the Statement of Profit and Loss. Any gain or loss on derecognition is recognised in the Statement of Profit and Loss.

(B) Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the Statement of Profit and Loss. Any gain or loss on derecognition is also recognised as profit or loss respectively.

(iii) Derecognition

Financial Assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

The Company has transferred the financial asset if, and only if, either:

- The Company has transferred its contractual rights to receive cash flows from the financial asset
Or
- It retains the rights to the cash flows, but has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement.

Pass-through arrangements are transactions whereby the Company retains the contractual rights to receive the cash flows of a financial asset (the 'original asset'), but assumes a contractual obligation to pay those cash flows to one or more entities, when all of the following three conditions are met:

- The Company has no obligation to pay amounts to the eventual recipients unless it has collected equivalent amounts from the original asset, excluding short-term advances with the right to full recovery of the amount lent plus accrued interest at market rates
- The Company cannot sell or pledge the original asset other than as security to the eventual recipients
- The Company has to remit any cash flows it collects on behalf of the eventual recipients without material delay. In addition, the Company is not entitled to reinvest such cash flows, except for investments in cash or cash equivalents including interest earned, during the period between the collection date and the date of required remittance to the eventual recipients.

The Company considers control to be transferred if and only if, the transferee has the practical ability to sell the asset in its entirety to an unrelated third party and is able to exercise that ability unilaterally and without imposing additional restrictions on the transfer. When the Company has neither transferred nor retained substantially all the risks and rewards and has retained control of the asset, the asset continues to be recognised only to the extent of the Company's continuing involvement, in which case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration the Company could be required to pay. In case where transfer of a part of financial assets qualifies for de-recognition, any difference between the proceeds received on such sale and the carrying value of the transferred asset is recognised as gain or loss on derecognition of such financial asset previously carried under amortisation cost category. The resulting interest only strip initially is recognised at FVTPL.

Financial Liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

(iv) Impairment of Financial Assets

The Company assesses at each date of Balance Sheet whether a Financial asset or a group of Financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance.

The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

Particulars	Criteria
Stage 1 (1-30 Days)	includes loan assets that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date.
Stage 2 (31-90 Days)	includes loan assets that have had a significant increase in credit risk since initial recognition but that do not have objective evidence of impairment.
Stage 3 (More than 90 Days)	includes loan assets that have objective evidence of impairment at the reporting date.

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Probability of Default (PD): The PD represents the likelihood of a borrower defaulting on its financial obligation, either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD): LGD represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD): EAD is based on the amounts the Company expects to be owed at the time of default.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

(v) Offsetting Financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

f. Borrowing costs

Borrowing cost attributable to acquisition and construction of qualifying assets are capitalised as a part of the cost of such assets up to the date when such assets are ready for its intended use. Ancillary costs incurred in connection with the arrangement of borrowings are adjusted with the proceeds of the borrowings and recognised using the Effective Interest Rate (EIR) method. Other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

g. Employee benefits

(i) Short term employee benefits

Short-term employee benefits are expensed in the year in which the related services are provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Define Contribution Plan

Employee benefits in the form of Provident Fund are defined as contribution plan and charged as expenses during the period in which the employees perform the services.

(iii) Define Benefit Plan

For defined benefit retirement, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using market yields available on government bonds.

The effect of the remeasurement changes (comprising actuarial gains and losses) to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in other equity and will not be reclassified to the Statement of Profit & Loss. Past service cost is recognised in the Statement of Profit & Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in the Statement of Profit & Loss in the line item employee benefits expense.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

(iv) Other long-term employee benefits

The Company has long term employment benefit plans i.e. accumulated earned leave encashable at the time of separation or retirement. As per Company's policy, unutilised casual and sick leaves will be lapsed at each year end.

(v) Share Based Payments

The Company initially measures the cost of equity-settled transactions with employees using Black and Scholes model to determine the fair value of the liability incurred. Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant. Vesting conditions, other than market conditions i.e. performance based condition are not taken into account when estimating the fair value. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them. The company recognises compensation expense relating to share-based payment in statement of profit and loss using fair value in accordance with Ind AS 102, Share-based Payment..

h Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

A present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

i Income Tax

Income tax expense comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to items recognised directly in Other Comprehensive Income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

ii. Deferred tax

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

j Foreign Currency Transactions

Transactions in foreign currencies are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the rate prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not re-translated. Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which these arise, except for exchange difference arising on re-statement of long-term monetary items that in substance forms part of Company's net investment in foreign operations, is accumulated in Foreign Currency Translation Reserve (component of OCI) until the disposal of the investment, at which time such exchange difference is recognised in the Statement of Profit and Loss..

k Cash and cash equivalent

Cash and cash equivalents comprise cash on hand, cash at bank and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

l Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company assesses if a contract is or contains a lease at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period time in exchange for consideration.

The Company recognizes a right-of-use asset and a lease liability at the commencement date, except for short-term leases of twelve months or less and leases for which the underlying asset is of low value, which are expensed in the statement of operations on a straight-line basis over the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease, or, if not readily determinable, the incremental borrowing rate specific to the country, term and currency of the contract.

Lease payments can include fixed payments, variable payments that depend on an index or rate known at the commencement date, as well as any extension or purchase options, if the Company is reasonably certain to exercise these options. The lease liability is subsequently measured at amortized cost using the effective interest method and remeasured with a corresponding adjustment to the related right-of-use asset when there is a change in future lease payments in case of renegotiation, changes of an index or rate or in case of reassessments of options.

The right-of-use asset comprises, at inception, the initial lease liability, any initial direct costs and, when applicable, the obligations to refurbish the asset, less any incentives granted by the lessors. The right-of-use asset is subsequently depreciated, on a straight-line basis, over the lease term, if the lease transfers the ownership of the underlying asset to the Company at the end of the lease term or, if the cost of the right-of-use asset reflects that the lessee will exercise a purchase option, over the estimated useful life of the underlying asset.

Right-of-use assets are also subject to testing for impairment if there is an indicator for impairment. Variable lease payments not included in the measurement of the lease liabilities are expensed to the statement of operations in the period in which the events or conditions which trigger those payments occur. In the statement of financial position right-of-use assets and lease liabilities are classified on the face of the Balance Sheet.

Company as a lessor

When the Company is the lessor, the lease are classified as either a finance lease or an operating lease. A finance lease is a lease which confers substantially all the risks and rewards of the leased assets on the lessee. An operating lease is a lease where substantially all of the risks and rewards of the leased asset remain with the lessor.

Amounts due from lessees under finance leases are recorded as receivables. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

m Segment Reporting

According to Ind AS 108, identification of operating segments is based on Chief Operating Decision Maker (CODM) approach for making decisions about allocating resources to the segment and assessing its performance. The business activity of the company falls within one business segment viz. "Financing Activities".

n Earning per equity share

The basic EPS is computed by dividing the profit after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

o Upfront servicers fees booked on direct assignment

Servicer fees payable for servicing loan contracts under direct assignment are discounted at the applicable rate entered into with the assignee and recognised upfront in the balance sheet and amortised on a straight line basis over the remaining contractual maturity of the underlying loans.

p Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 31st March, 2023, MCA notified the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from 1st April, 2023, as below:

- I. Ind AS 1 - Presentation of Financial Statements** - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the financial statements.
- II. Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors** - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2023. The Company has evaluated the amendment and there is no impact on its financial statements.
- III. Ind AS 12 - Income Taxes** - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2023. The Company has evaluated the amendment and there is no impact on its financial statements.

Statement of profit and loss:

Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

S.No.	Particulars	As at 31 st March, 2023	As at 31 st March, 2022
i)	Principal amount and Interest due thereon remaining unpaid to any supplier	-	-
ii)	Interest paid by the Company in terms of Section 16 of the MSMED Act along with the amounts of the payment made to the supplier beyond the appointed day during the accounting year	-	-
iii)	The amount of interest due and payable for the year of delay in making payment (which has been paid but beyond the appointed day during the year) but without adding the interest specified under this Act	-	-
iv)	The amount of interest accrued and remaining unpaid	-	-
v)	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of this Act.	-	-

39 The disclosures required under Ind AS 19 “Employee Benefits” notified in the Companies (Indian Accounting Standards) Rules, 2015 are as given below :

(A) Defined Contribution plan

A defined contribution plan is a post-employment benefit plan under which the Company pays fixed contributions and where there is no legal or constructive obligation to pay further contributions. During the period the Company has made following contribution to such funds and recognized as expense in the Statement of Profit and Loss :

Particulars	For the year ended 31 st March, 2023	For the year ended 31 st March, 2022
Company’s contribution to provident fund and other funds	90.63	68.19

(B) Defined Benefit Plan :

The Company made provision for gratuity as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is employee’s last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service.

The present value of the defined benefit obligations and the related current service cost and past service cost, was measured using the Projected Unit Credit Method.

(a) Reconciliation of opening and closing Balance of Defined Benefit Obligation -

Particulars	As at 31 st March, 2023	As at 31 st March, 2022
Present value of obligation at the beginning of the year	55.94	49.53
Current service cost	16.32	15.52
Interest cost	3.68	3.24
Benefits paid	(1.73)	(0.89)
Remeasurements - actuarial loss/(gain) arising from:	-	-
Change in Demographic Assumption	-	-
Change in financial assumptions	-	-
Experience variance (i.e. actual experience vs assumptions)	7.14	(11.46)
Present value of obligation at the end of year	81.35	55.94

(b) Changes in the fair value of plan assets- NIL

(c) Expenses recognised statement of profit & loss account

Particulars	As at 31 st March, 2023	As at 31 st March, 2022
Current service cost	16.32	15.52
Net interest (income) /Cost on the Net Defined Benefit Liability(Asset)	3.68	3.24
Past Service Cost	-	(0.90)
Defined benefit cost recognised in statement of Profit & Loss	20.00	18.76

(d) **Recognized in Other Comprehensive Income**

Particulars	As at 31 st March, 2023	As at 31 st March, 2022
Actuarial loss/ (gain)		
Change in Demographic Assumption	-	-
Change in financial assumptions	-	-
Experience variance (i.e. actual experience vs assumptions)	7.14	(11.46)
Component of defined benefit costs recognized in other comprehensive income	(7.14)	(11.46)

(e) **The principal actuarial assumptions used for estimating the Company's defined benefit obligations for gratuity are set out below:**

Particulars	As at 31 st March, 2023	As at 31 st March, 2022
Economic Assumptions		
Discount Rate	7.14%	6.69%
Expected Rate of increase in salary	10.00%	10.00%
Demographic Assumption		
Retirement Age (Years)	58	58
Mortality rates inclusive of provision for disability	100% of IALM (2012-14)	100% of IALM (2012-14)

The principal assumptions are the discount rate & salary growth rate. The discount rate is generally based upon the market yields available on Government bonds. The estimate of rate of escalation in salary considered in actuarial valuation, taken into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market.

(f) **Sensitivity analysis**

Particulars	Change in Assumptions	Increase/ (decrease) in Gratuity Obligations March 31, 2023	Increase/ (decrease) in Gratuity Obligations March 31, 2022
Discount rate	+1.00%	78.19	52.35
	-1.00%	84.77	59.99
Salary Growth rate	+1.00%	84.94	60.03
	-1.00%	77.93	52.24

The above sensitivity analysis is based on change in an assumption while holding all other assumption constant in practice, this is unlikely to occur, and change in some of the assumption may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumption the same method [projected unit credit method] has been applied as when calculating the defined benefit obligation recognized within the balance sheet.

(g) **Maturity Profile**

Particulars	March 31, 2023	March 31, 2022
Below 1 Year	15.40	5.33
1-5 Years	49.62	22.36
More than 5 Years	32.07	30.83

(h) Description of Risk Exposure:

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Company is exposed to various risks as follow -

Salary Increases - Higher than expected increase in salary will increase the defined benefit obligation.

Discount Rate - Reduction in discount rate in subsequent valuations can increase the plan's liability.

Demographic risk : This is the risk of variability of results due to unsystematic nature of decrements that includes mortality, withdrawals, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends on the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the employee benefit of a short career employee typically costs less per year as compared to a long service employee.

40 (A) Fair value of Financial assets & Financial liabilities

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Particulars	As at 31 st March, 2023		As at 31 st March, 2022	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets				
(i) At fair value through profit & Loss				
Investment in mutual funds	1,032.42	1,032.42	2,000.00	2,000.00
Investment in equity shares	2.48	2.48	2.09	2.09
(ii) At amortised Cost				
Cash and cash equivalents	9,511.93	9,511.93	2,137.94	2,137.94
Bank Balance other than above	344.15	344.15	3,982.48	3,982.48
Other receivables	-	-	22.96	22.96
Loans	46,140.21	46,140.21	39,162.53	39,162.53
Other Financial assets	1,091.99	1,091.99	461.49	461.49
Total Financial Assets	58,123.18	58,123.18	47,769.49	47,769.49
Financial Liabilities				
(i) At Amortised Cost				
Trade Payables	41.46	41.46	96.47	96.47
Borrowings (Other than Debt Securities)	37,156.48	37,156.48	25,576.27	25,576.27
Subordinated liabilities	1,500.00	1,500.00	2,500.00	2,500.00
Debentures	6,600.00	6,600.00	9,477.44	9,477.44
Lease Liabilities	53.60	53.60	25.63	25.63
Other Financials Liabilities	1,682.51	1,682.51	623.96	623.96
Total Financial Liabilities	47,034.05	47,034.05	38,299.77	38,299.77

The following methods and assumptions were used to estimate the fair values

- a. Fair value of cash and bank, loans and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- b. Fair value of borrowings from banks, lease liabilities, subordinated liabilities and other financial liabilities are estimated by discounting future cash flows using rates currently available for debt on similar terms and remaining maturities.

40 (B) Fair Value hierarchy

The fair value of financial instruments as referred (A) above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements].

Level 1 - Quoted prices / net assets value for identical instruments in an active market;

Level 2 - Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3 - Inputs which are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a net asset value or valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

(i) Financial Assets and liabilities measured at fair value – recurring fair value measurements

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are:

- (a) recognised and measured at fair value and
- (b) measured at amortised cost.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Investments at fair value through profit and loss

Particulars	Level 1	Level 2	Level 3	Total
Investments - Mutual fund				
As at March 31, 2023	1,032.42	-	-	1,032.42
As at March 31, 2022	2,000.00	-	-	2,000.00
Investments - Equity Shares				
As at March 31, 2023	2.48	-	-	2.48
As at March 31, 2022	2.09	-	-	2.09

Valuation technique used to determine fair value

The fair value of investments in quoted equity shares and mutual funds are based on the current bid price of respective investment as at the balance sheet date.

During the year ended 31st March 2023 and 31st March, 2022, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements. There is no transaction / balance under level 3.

(ii) Fair value of instruments measured at amortised cost

For the purpose of disclosing fair values of financial instruments measured at amortised cost, the management assessed that fair values of short term financial assets and liabilities approximate their respective carrying amounts largely due to the short-term maturities of these instruments. Further, the fair value of long term financial assets and financial liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

41 Financial risk management objectives and Policies

The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The financial risks are managed in accordance with the Company's risk management policy which has been approved by its Board of Directors. The Company's Board of Directors has overall responsibility for managing the risk profile of the Company. The purpose of risk management is to identify potential problems before they occur, so that risk-handling activities may be planned and invoked as needed to manage adverse impacts on achieving objectives.

The Audit Committee of the Company reviews the development and implementation of the risk management policy of the Company on periodic basis. The Audit Committee provides guidance on the risk management activities, review the results of the risk management process and reports to the Board of Directors on the status of the risk management initiatives. The Company has exposure to the following risks arising from Financial Instruments:

Risk	Exposure from
Credit Risk	Cash and cash equivalents, loans, investments and other financial assets
Liquidity Risk	Borrowings, debt securities, subordinated liabilities, trade payables and other financial liabilities
Market Risk - Interest Rate	Change in interest rate of variable rates borrowings, debt securities and subordinated liabilities
Market Risk - Price	Investment in mutual funds

In order to avoid excessive concentration of risk, the Company's policies and procedures include specific guidelines to focus on maintaining a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

a Credit Risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligations. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, other bank balances, investments, loan assets and other financial assets. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

Cash and Cash Equivalents

The Company holds cash and cash equivalents and other bank balances as per note 4 and 5. The credit worthiness of such bank is evaluated by the management on an ongoing basis and is considered to be high.

Loans

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each client. However, management also considers the factors that may influence the credit risk of its client base, including the default risk of the industry and locations in which clients operate. The Company Management has established a credit policy under which each new client is analysed individually for creditworthiness through internal systems and appraisal process to assess the credit risk. The Company's review includes client's income and indebtedness levels including economic activity which ensures regular and assured income. The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade and other receivables. The management uses a three stage model approach for the purpose of computation of expected credit loss for Loan portfolio..

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime expected credit loss (ECL). The assumptions underlying the ECL are monitored and reviewed on an ongoing basis. Gross carrying value and associated allowances for ECL stage wise for loan portfolio (other than repossessed assets) is as follows :

As at March 31, 2023

Particulars	Stage 1\$	Stage 2	Stage 3	Total
Gross carrying value	44,434.49	-	2,017.01	46,451.49
Allowance of ECL	114.50	-	519.47	633.98

\$ including differential provision amount between Allowance of ECL and NPA provision as per RBI prudential norms.

As at March 31, 2022

Particulars	Stage 1\$	Stage 2	Stage 3	Total
Gross carrying value	36,942.06	419.18	1,716.81	39,078.05
Allowance of ECL	147.30	-	355.55	502.85

\$ including differential provision amount between Allowance of ECL and NPA provision as per RBI prudential norms.

Other financial assets measured at amortised cost

Other financial assets measured at amortised cost includes loans and advances to employees, security deposits, insurance claim receivables and other recoverables. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

b. Liquidity Risk

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows

under both normal and stress circumstances. Such scenarios could occur when funding needed for illiquid asset positions is not available to the Company on acceptable terms. To limit this risk, management has adopted a policy of managing assets with liquidity in mind and monitoring future cash flows and liquidity on a regular basis. The Company has developed internal control processes for managing liquidity risk.

The Company maintains a portfolio of highly marketable and diverse assets that are assumed to be easily liquidated in the event of an unforeseen interruption in cash flow. The Company assesses the liquidity position under a variety of scenarios, giving due consideration to stress factors relating to both the market in general and specifically to the Company..

The table below analyse the Company financial liabilities into relevant maturity grouping based on their contractual maturities.

As at March 31, 2023

(All amount in ₹ Lakhs, except otherwise stated)

Particulars	Less than 1 year	1-2 years	2-3 years	More than 3 years	Total
Financial Liabilities					
Trade Payables	41.46	-	-	-	41.46
Borrowings (other than debt securities)	20,608.58	12,532.47	3,499.43	516.00	37,156.48

Total	20,556.19	11,625.96	2,539.42	3,578.20	38,299.77

c Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows related to financial instrument that may result from adverse changes in market rates and prices (such as interest rates, other prices). The Company is exposed to market risk primarily related to interest rate risk and price risk.

(i) Interest Rate Risk

The company's main interest rate risk arises from borrowings with variable rates, which expose the Company to cash flow and interest rate risk. Below is the exposure of the Company to interest rate risk:

Particulars	As at March 31, 2023	As at March 31, 2022
Liabilities		
Borrowings (other than debt securities)	37,156.48	25,576.27
Total	37,156.48	25,576.27

Sensitivity Analysis

Particulars	For the year ended March 31, 2023	For the year ended March 31, 2022
Interest rates - increase by 0.50% (net of tax)	(117.36)	(88.02)
Interest rates - decrease by 0.50% (net of tax)	117.36	88.02

(ii) Price Risk

Price risk is the risk that the value of the financial instrument will fluctuate as a result of changes in market prices and related market variables including interest rate change whether caused by factors specific to an individual investment, its issuer or the market. The Company's exposure to price risk arises from investments in equity securities and debts securities are as follows:

Particulars	As at March 31, 2023	As at March 31, 2022
Investments		
Maximum exposure to price risk	1,034.90	2,002.09
Total	1,034.90	2,002.09

42 Capital risk management

The Company's policy is to maintain a strong capital base so as to maintain investor, lender and market confidence and to sustain future development of the business. The Company objective to manage its capital is to ensure continuity of business while at the same time provide reasonable returns to its various stakeholders but keep associated costs under control. In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account of portfolio and strategic Investments. Management monitors the return on capital as well as the level of dividends to ordinary shareholders. Sourcing of capital is done through judicious combination of equity/internal accruals and borrowings. The following table summarises the capital of the Company.

Particulars	As at March 31, 2023	As at March 31, 2022
Subordinated Liabilities	1,500.00	2,500.00
Debentures	6,600.00	9,477.44
Borrowings (Other than Debt Securities)	37,156.48	25,576.27
Less: Cash & Cash Equivalents	(9,511.93)	(2,137.94)
Less: Bank Balances other than Cash and Cash Equivalents	(344.15)	(3,982.48)
Net Debt	35,400.40	31,433.29
Equity Share Capital	1,226.39	1,226.39
Other Equity	9,463.70	8,001.43
Total Capital	10,690.09	9,227.82
Gearing ratio	3.31	3.41

The company monitors Capital Adequacy ratio as stipulated by RBI for NBFC-Investment and credit company Non-Deposit taking. The Company endeavour to source diversified borrowing, depending on asset liability duration and interest rate sensitivities. For CRAR details refer Note 50 (B-1)

Less than one year	55.01	17.34
One to five years	15.64	19.64
More than five years	-	-

(v) **The following are the amount recognised in the Statement of Profit and Loss**

Particulars	For the year ended on 31 st March, 2023	For the year ended on 31 st March, 2022
Depreciation expense on right of use assets	59.90	18.80
Interest expense on lease liabilities	13.74	5.05
Expense related to short term leases	112.56	98.17
Total amount recognized in the Statement of Profit and Loss	186.19	122.02

46 Transfer of Financial Assets

46.1 Transferred financial assets that are not derecognised in their entirety

The following tables provide a summary of financial assets that have been transferred in such a way that part or all of the transferred financial assets do not qualify for derecognition, together with the associated liabilities:

A) Securitisation

The company has Securitised certain loans, however the company has not transferred substantially all risks and rewards, hence these assets have not been de-recognised in its entirety.

Particulars	As at 31 st March, 2023	As at 31 st March, 2022
Carrying amount of transferred assets measured at amortised cost	50.65	737.11
Carrying amount of associated liabilities (Debt securities - measured at amortised cost)	50.65	737.11
Fair value of assets	86.49	2,228.67
Fair value of associated liabilities	50.65	737.11
Net position at Fair value	35.84	1,491.56

B) Direct Bilateral assignment

The Company has transferred certain loans (measured at amortised cost) by way of direct bilateral assignment, as a source of finance. As per the terms of these deals, since substantial risk and rewards related to these assets were transferred to the buyer, the assets have been de-recognised from the Company's balance sheet.

The table below summarises the carrying amount of the derecognised financial assets measured at amortised cost and the gain/(loss) on derecognition, per type of asset.

Particulars	As at 31 st March, 2023	As at 31 st March, 2022
Carrying amount of de-recognised financial asset	11,986.90	3,326.79
Carrying amount of Retained Assets at amortised cost	1,331.87	379.66
Gain on sale of the de-recognised financial asset recognized	1,255.64	298.32

46.2 Transferred financial assets that are derecognised in their entirety but where the company has continuing involvement

The company has not transferred any assets that are derecognised in their entirety where the company continues to have continuing involvement.

47 Additional disclosure under RBI circular RBI/2019-20/170 DOR (NBFC).CC.PD. No.109/22.10.106/2019-20 dated March 13, 2020 [as certified by the management]

A comparison between provisions required under Income Recognition, Asset Classification and Provisioning (IRACP) and impairment allowances made under Ind AS 109 is as follows:

Asset classification as per RBI norms	Asset classification as per Ind AS 109	Gross carrying amount as per Ind AS	Loss Allowances (Provisions) as required under Ind AS 109*	Net Carrying Amount	Provisions required as per IRACP norms	Difference between Ind AS 109 provisions and IRACP norms
